Year	College	percentage
2012-2016	Sphoorthy engg college Branch ECE	70%
2010-2012	Sri Chaitanya junior college Branch MPC	84%
1997-2010	Sandeepani Vidya Niketan high school	88%

Projects

1.Aumhum :- Aumhum is an app for meditation , Stories . Various teachers add their courses on the app and users can buy and play courses .

   My Role: Full Android app maintained by me

2.DEF-ISL :- DEF-ISL is an app for deaf people . It provides a platform to learn sign language by watching the videos inside the app .

   My Role: Full app done by me.

3.Wowio :- Wowio is an app where users can buy books and read books inside app .The books are in format .epub ,we built an epub reader inside the app to read the book only from the app. Additionally there are features to bookmark page,highlight text ,add note and show ads while reading book.

   My Role: Fixed over 200 bugs inside app, cleaned up unused code, Complete Epub reader part done by me including the features mentioned above.Functionality for searching and sorting the books.

4.Biryani & Kababs :- Biryani and kababs is name of a restaurant in U.S . I built an app for the restaurant where users can select food add it to cart and buy the food.Integrated paypal SDK for paying money using his paypal account.

   My Role: Full app done by me.

5.Tappawala:(In progress) Its some thing similar to swiggy app where useres can sort restaurants based on distance,discounts and food menu and user can pre order for next day.

My Role: Full app done by me.

Declaration
