Education History

Year	College	percentage
2012-2016	Sphoorthy engg college Branch ECE	70%
2010-2012	Sri Chaitanya junior college Branch MPC	84%
1997-2010	Sandeepani Vidya Niketan high school	88%

Top Projects

1. **Aumhum :-** Aumhum is an app for Meditation ,Stories . Various teachers add their courses on the app and users can learn courses by playing them . Users can buy subscriptions .

   My Role: Full Android app is being developed and maintained by me

    Link to app :- https://play.google.com/store/apps/details?id=com.aumhum.aumhum

2. **DEF-ISL :-** DEF-ISL is an app for deaf people . It provides a platform to learn sign language by watching the videos inside the app .

   My Role: Full app done by me.

   Link to app :- https://play.google.com/store/apps/details?id=in.eightfolds.deafenabled

3. **Wowio :-** Wowio is an app where users can buy books and read books inside the app .The books are in format .epub ,we built an epub reader inside the app to read the book only from the app. Additionally there are features to the bookmark page,highlight text ,add note and show ads while reading the book.

    My Role: Fixed over 200 bugs inside the app, cleaned up unused code, Complete Epub reader part done by me including the features mentioned above.Functionality for searching and sorting the books.
    App not added on play store

4. **Incogchats :-** It's an app to chat with random strangers on the internet . It's privacy focussed and does not take any personal details or store any chats .

    My Role: Full app done by me.

    Link to app :- https://play.google.com/store/apps/details?id=com.incogchats.incogchats

5. **The Voice directory :-** There are 2 roles in the app artist and hirer . Voice artists can showcase their profiles and apply for jobs . Heirers post jobs & recruit artists .

    My Role: Full app done by me.

    No longer exists on play store
    Old link :- (https://play.google.com/store/apps/details?id=in.eightfolds.soundvision)

Some other apps I worked on **partially**

PaC EV Link :- https://play.google.com/store/apps/details?id=com.pac.evlinklive

GreenAP :- https://play.google.com/store/apps/details?id=in.eightfolds.apugbcl

WinGa :- https://play.google.com/store/apps/details?id=com.veggaappsol.winga

Fit Trail :- https://play.google.com/store/apps/details?id=com.orfeostory.fittrail

Gaadi360 :- https://play.google.com/store/apps/details?id=in.g360.owner
